DEAR SIR,

I feel a delicacy in troubling you on this subject, but I know of no other method to obtain the desired information.

Be pleased to inform me what sums of money Benajah Mallory received for each of the following persons belonging to captain Frisbee's company, in the Canadian corps, viz. Stephen Petton, John Bennett, William M'Carty, James M'Gee, James M'Laughlin; also, for Cary Macellus, and if you can find the muster roll of captain Hamilton's rifle company, and inform me if Elnathan Thrasher appears thereon, you would do me a great favor; said Thrasher died at Sackett's Harbor in the summer of the last campaign. Please inform me if said Mallory received his (Thrasher's) back pay; he had a power for that purpose, and letters of administration. Says "he did not receive the money, and has lost the papers." Major Mallory was at Washington, last winter, with the claims of the above persons, and does not give a satisfactory account. If he has dealt honestly, there can be no impropriety in making the inquiry; if he has acted the knave, he will probably be brought to justice. I once caught him incog. by the side of a widow, and cheated her out of \$100, besides the discount on southern money. Please also inform me the amount he received for the widow of lieutenant Israel Willcox, of the twelve months volunteers, who died on the Niagara frontier, and what kind of money he received.

Sir, if you have a clerk in the office that will write an answer to the above inquiries, I will inclose any sum that shall be mentioned.

Sir, your obdt. servant,

SAMUEL LAKE.

*Paymaster General's Office,
Washington, Oct. 23, 1817.*

SIR,

I have received your letter of the 6th instant, asking to be informed what sums of money Benajah Mallory received for persons (named in your letter) at this office.

It will afford me pleasure to answer the inquiries of each, or all, the individuals you mention, provided the application comes from them either conjointly or separately, but I feel both an indelicacy and an impropriety in giving the information you request, to a third person, unless so directed by proper authority.

In declining this request to you, I beg it to be understood, both by yourself, as well the persons whose names you mention, that it does not proceed from a desire to withhold from them, or either of them, any information which this office will afford, that may be of service, in the just settlement of their respective accounts, whether against the government or against individuals, in whom they may have confided.

I am, sir,

Your obdt. servant,

ROBERT BRENT,

Paymaster General.

I do not rightly comprehend your last paragraph; the clerks of this office, I trust, are not in the habit of receiving pecuniary reward from any individual for performance of the legitimate duties with which they are charged; I trust they would revolt at any proposal to do any duty that would be improper.

R. B.

Batavia, Nov. 7th, 1817.

SIR,

I have received your obliging letter of 23d October, and return thanks for the same.

In my letter of the 6th October, I beg to be understood, that by offering a pecuniary compensation, I did not wish to obtain any improper information; or calculate that it would be accepted for the performance of any legitimate duties of the office. I did not know that answering inquiries of this nature, made by individuals, belonged to the duties of the office with which you are charged, which was the reason of my writing as I did.

Sir, your obdt. servant,

(Signed) SAMUEL LAKE.

Robert Brent, Esq.

(Copy.)

Washington City, Dec. 16, 1817.

*Honorable Robert Brent,
Paymaster General,*

SIR,

Daniel Kinsley, jun. and others, of the town in which I reside, and its vicinity, have claims upon the government for land and extra pay, as Canadian volunteers, under the act of Congress, passed March 5, 1816, and the acts supplementary thereto, and granting bounties in land, and extra pay, to certain Canadian volunteers, and have preferred their claims through the agency of Dudley Frink, Benjamin W. Hopkins, and Moses Jewett, upon the government, for the

land and amount of pay, which has been generously awarded to them. Those gentlemen, under the pretence of being countenanced and employed by the government, very *patriotically* traversed the country for the purpose of assisting the claimants to establish their claims, and promised when the same should be established, to account with the several claimants for the sums received by them, deducting from the amount, a sum only sufficient to pay them for their trouble and for moneys expended in establishing the same. These claimants, sir, have made fruitless inquiries of those gentlemen, respecting their claims, but could only learn, that they had not been established. For the three years *last past*, I have been the collector of direct tax and internal duties, for the district in which most of these claimants reside, and am personally acquainted with most part of them. In consequence of the *numerous* and *urgent* applications of these claimants to me, for assistance in this business, I am induced, sir, in their behalf, *respectfully* to submit their case to your consideration, and if not incompatible with the rules of your office, do request that such information may be given me or them, as will enable the several soldiers to ascertain the amount received on each of their claims, and by whom received. I am, sir, interested in a *trifling degree*, in ascertaining the amount received on these claims, as I have furnished money to some of these claimants *for the subsistence of their families*, on the supposition that their claims would be established, and when established, to receive only the amount lent. I have been able, sir, to ascertain that those claims in which I had a personal interest, have been established. It is therefore, at the particular request of the several claimants, and with a view to aid them in obtaining their just rights, that I have interfered myself in their behalf. I will refer you, sir, to the honorable Samuel H. Smith, Commissioner of the Revenue, for any information relating to my character, standing, &c. &c.

I am, sir, very respectfully,

Your obdt humble servant,

(Signed) ASAHEL LANGWORTHY.

Brent had a personal interview with Mr. Langworthy, and stated to him, that on an application of the individuals interested, I would with pleasure furnish the account of what had been paid to these agents; but that I did not feel myself authorized on the call of third persons, without having written authority to furnish the transactions of individuals at this office; but that I would furnish this information on the call made by proper authority, or the individuals interested.

ROBERT BRENT."
